

Insights into Anthroposophic Medicine

December 4th 2025

4:30pm PT / 7:30pm ET

\$25 / \$15 School Viewing Option Available

You are warmly invited to a special evening entitled “**Insights into Anthroposophic Medicine.**” Dr. Steven Johnson and Dr. Mark Hancock will present a picture of what lies behind the growing, rhythmical alchemy and forming of anthroposophic medicine. Both doctors will share some new and special remedies that they use in their practice some of which are new contributions to anthroposophic medicines. Some topics will include Sun Pyrite for upper respiratory infections, Indian Monotropa for pain, Viscum Vitalizer (oral mistletoe), Reynoutria Lyme, Carbo Chamomilla, Quercus ointment and True Botanica Throat defense. Join us for helpful insights, comments and questions.
